

**NOTICE OF PUBLIC HEARING
CITY OF GROVES**

**TEXAS COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
COMMUNITY DEVELOPMENT FUND PROJECT AMENDMENT**

The City of Groves is considering a proposed amendment to its approved 2008 Texas Community Development Block Grant Program (TxCDBG) Contract 728170 with the Texas Department of Rural Affairs. The amendment will extend replacement of old clay sewer line with new sewer line from the existing sewer project on Beverly Street to the concrete lined ditch. The work will include 700 linear feet of new 12 inch sewer line and 50 linear feet of new 15 inch sewer line. These improvements will be adjacent to the sewer improvement project on Beverly Street which was environmentally cleared on October 27, 2009. The proposed extension of new sewer line past Beverly Street is consistent with the original finding of no significant impact to the environment.

The Public Hearing concerning the proposed amendment is scheduled to be held at 5:15 p.m. on March 11, 2010 at the City Council Room, Groves City Hall, 3947 Lincoln Ave, Groves, Texas. The purpose of this Public Hearing will be to discuss the proposed amendment and solicit citizen input on the proposed change in scope of the City's 2008 TxCDBG Contract 728170 Sewer Project.

All citizens are encouraged to attend this Public Hearing and present their views to the City. The City Hall is accessible to the disabled; disabled individuals who might have difficulty in attending the Public Hearing should contact D. E. Sosa, City Manager to arrange for special assistance.
